

110TH CONGRESS
2D SESSION

H. RES. 930

Supporting the goals and ideals of “Career and Technical Education Month”.

IN THE HOUSE OF REPRESENTATIVES

JANUARY 17, 2008

Mr. BAIRD (for himself and Mr. ENGLISH of Pennsylvania) submitted the following resolution; which was referred to the Committee on Education and Labor

RESOLUTION

Supporting the goals and ideals of “Career and Technical Education Month”.

Whereas there are over 15,000,000 secondary and postsecondary career and technical education students in the United States;

Whereas nationwide, there are over 10,000 secondary high schools and career tech centers and over 9,000 postsecondary institutions offering career and technical education programs;

Whereas a competitive global economy requires workers trained in skilled professions;

Whereas career and technical education plays a crucial role in preparing a well-educated and skilled workforce in America;

Whereas career and technical education prepares students for all of the 20 fastest occupations identified by the U.S. Department of Labor;

Whereas according to the U.S. Chamber of Commerce, nearly 75 percent of employers report severe conditions when trying to hire qualified workers and 40 percent say that applicants are poorly skilled;

Whereas students taking career and technical education courses have higher grade point averages in college, are less likely to drop out in high school and college, and have better employment and earnings outcomes than other students;

Whereas, in 2006, Congress reauthorized with bipartisan support the Carl D. Perkins Career and Technical Education Act, which provides states with Federal resources to support career and technical education programs; and

Whereas the Association for Career and Technical Education has designated February as “Career and Technical Education Month” to celebrate career and technical education across the country: Now, therefore, be it
